Dear Mecklenburg College, our voices raise on high
For your guidance, spirit, we on thee rely.
Your hallowed walls in education's cause--
We'll honor thee through eternity
Mecklenburg, our life, our all.

Enriched have our lives been by things we've learned here,
Our friends, studies, teachers, memories all dear.
May ever you stand, in splendor by His hand.
Your aims, ideals, you've in us instilled,
Mecklenburg, our life, our all.

When days here are ended and on our way we go
To fields of endeavor, helping lives to grow,
Our prayer e'er shall be Mecklenburg all for thee,
We'll honor thee through eternity
Mecklenburg, our life, our all.

Foreword

This 1962-63 edition of the Echo is presented as a pictorial record of the work and play which combine to make the well-rounded student at Mecklenburg College.

A panorama of the year's activities is recorded herein as a reminder of the many, many things that make college a wonderful experience . . . Miss Mecklenburg and her attendants in the Smith Homecoming Parade . . . Meeting new students . . . Studying . . . and Studying . . . Developing lasting friendships . . . Decorating for the Christmas party . . . Making that term paper deadline . . . Going to Assembly . . . Cheering our basketball team . . . Making pictures for the yearbook . . . These are but a few. Add your own personal memories to keep aglow the Mecklenburg College flame.

Dedication

"That best portion of a good man's life, His little,
nameless, unremembered acts of kindness and of
love."

Wordsworth

To the friends of Mecklenburg College, whose
acts of kindness are remembered, we dedicate this
book with gratitude.

It was through the generosity of friends listed
on the opposite page that scholarships were made
available during 1962-63 to provide funds for a
number of students to continue their education.
Such benevolence on the part of these individuals
indicated their willingness to give tangible evidence
of their interest in the future of young people.

To have such friends is gratifying.

"Light is the symbol of Truth". This record of your years at Mecklenburg is, in an important sense, a self-assessment. It is also a rich storehouse of memories of the days and events, associations and experiences that go to make up what we know as "college life" - your quest in search of Light.

What the institution, its teachers and counsellors have impressed upon you, will be revealed in the year to year application of the Light which you've received.

To you who now go out from your Alma Mater in the Class of 1963, accept this sincere wish for a bright future illumined with Hope, Prosperity, and Peace.

Cordially,

James F. Alexander
Director

Coltrane Dedication Keynoter

Mr. D. S. Coltrane, Administrative Assistant to the Governor, was the keynote speaker at the Dedication Service of Mecklenburg College. Mr. Coltrane, substituting for the ailing Honorable Terry Sanford, Governor of North Carolina, delivered a speech prepared by Mr. Sanford. He challenged the recipients of the offerings at the new physical plant of Mecklenburg College to accept fully the demands of modern-day quality education.

The dedication represented a milestone in the college's history after a twelve year struggle as a night school operating in the Second Ward High School building of Charlotte.

The new plant enables the college to offer both day and evening classes, the opportunity to expand the course offerings, and the development of an independent school philosophy and personality.

The Presiding Officer for the entire program was Mr. J. Murray Atkins, Chairman of the Board of Trustees of the Charlotte Community College System. "Greetings" were extended by Dr. William C. Archie, Director, North Carolina State Board of Higher Education; Mr. Stanford R. Brookshire, Mayor of the City of Charlotte; Dr. Elmer H. Garinger, (then) Superintendent of the Charlotte-Mecklenburg Public Schools; and Mr. Isaac Rhyne, President, Mecklenburg College Alumni Association.

Among the platform guests were Mr. John Paul Lucas, Vice Chairman of the Board of Trustees of the Charlotte Community College System; the Reverend W. A. Wilkins, Rector, Church of St. Michael and All Angels; and the Reverend Archie C. Bell, Pastor, Little Rock A.M.E. Zion Church, both of Charlotte. Music was under the direction of Mr. William Lindsay, the College Choir Director.

Christine McNair.

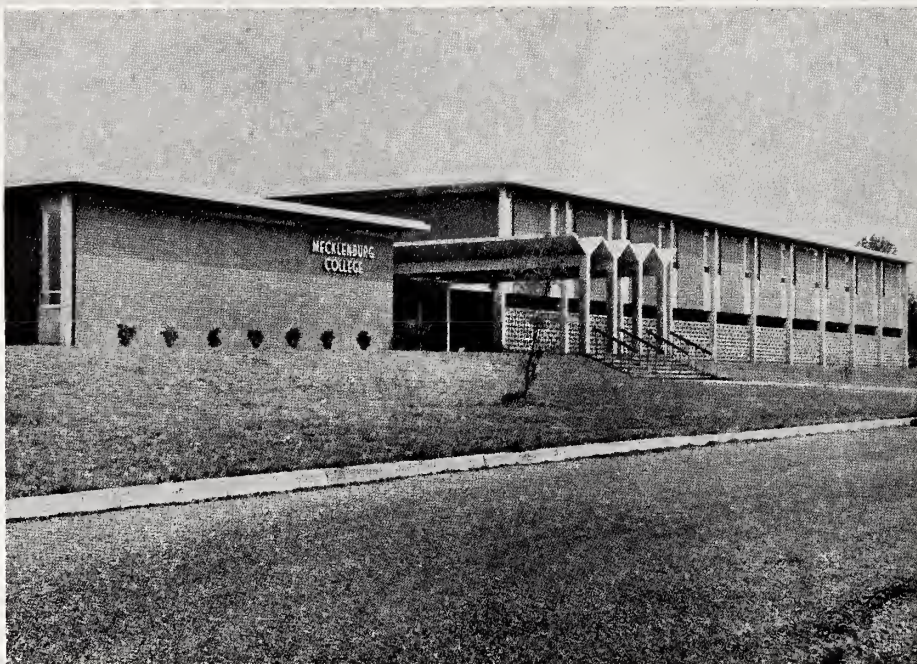

Yvonne McKay Elected Miss M. C.

Yvonne McKay, 1960 graduate of Long High School, Cheraw, South Carolina, was elected Miss MC for 1962-63. She is the daughter of Mr. and Mrs. Robert McKay of 2409-B Double Oaks Road, Charlotte, North Carolina, and has been joined at MC by her sister, Cleo.

The College Queen, Miss McKay, represented the college in the J. C. Smith University homecoming parade.

The Queen and her attendants were strikingly attired in the school colors. Miss McKay is majoring in secretarial science and plans to become an executive secretary.

A DREAM REALIZED — THE NEW MECKLENBURG COLLEGE

After thirteen years in the Second Ward High School building, students, faculty, staff, alumni, trustees, and friends are immeasurably proud and happy to occupy these new premises, which include an academic building and combination administration-library building.

Those of us who study and plan here are projecting into the future and can clearly see A GREATER MECKLENBURG COLLEGE.

Greetings to the Student Body:

This, your institution, endeavors to prepare and serve you; and we solicit your willingness to accept, absorb, and support the institution for the growth of all.

With kindest wishes and a strong desire to uphold the objectives of a growing institution of higher learning.

Six Instructors Added to Mecklenburg Faculty

By Priscilla Pettice

With the beginning of the fall semester, six new instructors joined the Mecklenburg College faculty. They are Mrs. Mary C. Flowe, Mrs. Ruth Gaddy, Dr. William L. Jamison, Mr. Hoyle H. Martin, Miss Mertye Rice and Mr. Santiago Vilas.

Mrs. Mary C. Flowe, English and speech instructor, is a native of Charlotte, North Carolina. She received her A.B. from Johnson C. Smith University and the M.A. from New York University. She has also attended Howard and Columbia Universities. Before coming to Mecklenburg, she was Assistant Librarian at Johnson C. Smith University. Her hobbies are reading, solving puzzles, and sewing. During an interview with this writer Mrs. Flowe indicated that she has been impressed by the "closeness" that exists between the director, faculty, staff, and students in striving for a common purpose—a greater Mecklenburg College.

Miss Ruth Gaddy, Instructor of Psychology is also a native Charlottean. She received her A.B. from Johnson C. Smith

Mecklenburg Alumni Reorganize

The Mecklenburg College Alumni Association held its initial reorganizational meeting on the MC campus.

J. F. Samuel and Aaron Reid were elected president and vice-president respectively. Officers elected at the meeting were: Mrs. Mary Maxwell, re-elected as Recording Secretary; Mrs. Lillie Wall, Corresponding Secretary; and James Anderson, Treasurer.

Mr. Samuel led a discussion on the association's proposed aims and objectives; among these are: scholarships for prospective students, college-alumni job placement services, assistance to the college in the recruitment of students, and the promoting of an annual Alumni Awards Day.

Hoyle H. Martin, Public relations officer of the college, gave "greetings" on behalf of the faculty and administration and pledged the college to work cooperatively with the alumni association and its endeavors.

To further the re-organization efforts of the association, a meeting was held on Sunday, November 25, at 4:30 p.m., on the Mecklenburg College campus. At this meeting the following was undertaken: plans for the association's activities for 1963, and the election of a constitution, program, and publicity committee.

Opening Convocation

By Dorothy Kerns

Mecklenburg College held its 14th Annual Convocation on September 21, 1962, in the new school library, with about 200 students and faculty members attending. The Reverend Walter Rorie represented the college alumni association. Reverend Rorie told the students, "You have a great opportunity here. Do your best. It can be done, so why not do it?"

Mr. J. F. Alexander, Director of the College introduced the main speaker of the evening, Mr. Oliver R. Rowe, Trustee of the Charlotte Community College System.

Mr. Rowe told the students, "This is a great day for Mecklenburg College. After having classes for 13 years in the Second Ward High School building, we have now started the 14th year on our own new campus."

He further stated that the number of college students is increasing rapidly. The existing colleges cannot possibly take care of the tidal wave of students expected in the next five years. We cannot build colleges fast enough to take care of them. He also said, "Last year 4,000 qualified applicants were denied; this year the number is greater. Every freshman who gained entrance into college this year is just plain lucky."

He stated that Mecklenburg College is destined to develop into one of the largest and best community colleges in the state; there are people who really need and want the special educational services offered by a community college.

Mr. Rowe told the students to take their work seriously and to take advantage of this opportunity to improve themselves in order to become successful people.

Morrison Speaks To Student Body

Mrs. Roberta Harris Morrison, president of the Mecklenburg College Student Council delivered the keynote address at the Annual Student Council Assembly.

Mrs. Morrison is the daughter of Mr. and Mrs. Richard James Harris, Sr., of Statesville, North Carolina, and the wife of Donald Richard Morrison of Charlotte, North Carolina, who is also a student at Mecklenburg College. She is a graduate of Morningside High School in Statesville, North Carolina, and is now a sophomore at Mecklenburg College. She plans to transfer to Barber-Scotia College in Concord, North Carolina, after graduating from Mecklenburg.
